From The President

You Board would like to wish you all a very Merry Christmas and a Happy New Year. If you would like to contribute to the employee Christmas bonus fund, we have two ways for you to help out.

1. Just add a little extra to your check for this month's bill and note it in the memo space on your check.
2. You can drop it by the club, the ballot box will be set up on the counter to collect the donations.

The By-Laws and general Rules and Regulations have been updated. There are some copies available at the club house and you can also print a copy yourself from the website (loccgolf.com) and click on Live Oak Golf Country Club By-Laws)

Finance Report

We received a check this month that we are not sure whom it was from. It is drawn from Wells Fargo Bank, it doesn't have a name or phone number and we are not sure of the signature. If you have elected to remove your name from your checks, please make sure that in the memo section you let us know who it is from or include your bill so we can make sure we credit the correct account.

The Electric and Land Tax are included on this bill. This will be as a second item on each bill for owners of cart sheds in the amount of \$10 per shed.

All resignations must be in writing, they can be sent to clubhouse, dropped off at the clubhouse or mailed to Johnson and Cate, doing so will prevent you from being on the unpaid member list and becoming a member not in good standing.

House Report

Grounds Report

In addition to routine maintenance activities, the grounds crew, along with volunteer help, verticut, top dressed, fertilized and over seeded all nine greens, the practice green and number one tee box. As soon as a load of dirt arrives Larry and Jack will finish #8 tee box. Projects for next month are to rebuild the new tee box on #6 similar to #8.

Membership Report

No new members this month, returning members are Harry Fleming, John Witte, John Lokken, John William, Len Gelzaines, Don Garrison, Ed Schwimmer, Don & Grettie Blanchard and Paul Hynds. Resignations are Robert Jarrett, Tom White, Kevin Jett and Gerald Contreras.

.Currently we have 151 Full time, Junior and First Responder members.

Tournament Report

Your board has discussed how to get greater involvement in tournaments many times through the past year. Thus we are trying new tournaments. The first match play event was so popular that it will be repeated in the mid-January through February time period so that our winter Texans can be involved. The Tournament committee will be working in scheduling details.

December 4th will be a one person scramble, meaning you will get the chance to play two balls each shot and take the better of the two. This will be a Handicap tourney and everyone is invited to play.

We encourage the recreational golfers amongst our membership to be participating in these new tournament offerings.
